

CHARLES J. SALEH

CPA, ABV, CFF, CEIV

Charles has been a key advisor in numerous strategic transactions and portfolio investments across various industries, including SaaS, mobile gaming, automotive, medical and transportation and logistics.

Charles began his career providing assurance services within Grant Thornton, before finding his way into the investment banking space. Over his career, Charles has completed over 400 business valuations, and advised in transactions totaling more than \$2.5bn in value.

With over 12 years of corporate finance experience, Charles brings a wealth of knowledge in consulting with clients as they navigate the M&A landscape, whether it be on the buy-side, sell-side, or fund-based investing.

Charles is currently a CPA (Certified Public Accountant) and has completed a Series 7 License from FINRA. In addition to these credentials, Charles also holds the following designations:

- Accredited in Business Valuations (ABV)
- Certified in Financial Forensics (CFF)
- Certified in Entity & Intangible Valuations (CEIV)
