

FARIS SYED
FOUNDER / PRESIDENT

Faris has been with the automotive industry and serial entrepreneur, since 1990's, after graduating with a Finance & Marketing degree from Miami. His career quickly moved him through the ranks at a large retail group in the diverse south Florida market.

He joined a diversified automotive firm in 1999, based in Florida, a conglomerate of automotive related business with annual revenues of over \$18 Billion, owns and/or affiliated with Finance Consulting, financial services, Technology, Japanese automotive distributorship and other variety of warranty products, Insurance and Reinsurance companies. He was responsible for Managing relationships, and Consulting with new car franchise dealers, owners with single point, midsize and large dealer groups, including publicly held automotive groups, within an assigned territory in the Southeast U.S.

As a serial entrepreneur, Faris launched his first automotive M&A firm in 2014, SAR PARTNERS, which is currently a premier automotive dealership mergers and acquisitions firm in the country. The highly efficient, and well-respected company, has networks throughout the automotive sector, including top ten publicly traded companies, privately held groups, and major private equity firms, which are involved in the sector, or are looking to step into the highly complex, yet a profitable sector of our economy.

Faris relaunched UBC in 2021 under the Global group of companies, which includes Global Merger and Acquisitions, Global Dealer Solutions, Global Financial services, Global AvioniX, and Global Marine. Faris's relationships across industry span the globe, and the footprint of his global network shows in his achievements throughout his career.
